Presentation Outlining Techniques:

Pre-Reading – Activating Prior Knowledge

A. Brainstorm in Pairs

Question:

What makes a group presentation effective?

List at least three features:

1. Planning / Synchronization / Distribution
2. Proper Collaboration
3. Smooth Transition

B. Predict the Structure

Imagine you're giving a group presentation on *"The Effects of Technology"*. How would you divide it among 4 speakers?

Speaker Subtopic or Role

1 Short introduction of the group and about the topic.

2. A summary / overview about technology and its effects.

3 ~~Brief~~ History / Challenges / Diversity / Examples / Stories

4 Pros & Cons / Relation with our ~~emo~~ action / Conclusion

Reading – Analyzing the Sample Outline

A. Structure Check

Read the outline and answer:

1. How many speakers are in the group? _____
2. How is time divided? _____
3. What does each speaker focus on? (Use keywords)

Speaker Focus Area

1

Speaker Focus Area

Presentation Title: "The Impact of Social Media on Mental Health"
Total Time: 15 minutes
(3 minutes per speaker + 1-2 minutes for transition or Q&A)
Speaker 1: Introduction and Overview (3–3.5 minutes)
• Greeting and opening
○ Welcome the audience
○ Introduce the topic and its relevance
• Purpose of the presentation
○ Why this topic matters today
• Brief outline of the presentation
○ What each member will cover
• Key definitions
○ Define social media and mental health for context
Speaker 2: Positive Effects of Social Media (3–3.5 minutes)
• Improved communication and connection
○ Examples: maintaining long-distance friendships, online communities
• Mental health awareness and support
○ Online counseling, mental health influencers
• Case studies or data
○ Mention a recent survey or research (e.g., from Pew Research or APA)
Speaker 3: Negative Effects of Social Media (3–3.5 minutes)
• Anxiety, depression, and body image issues
○ Link with excessive use or comparison culture
• Cyberbullying and online harassment
○ Effects on teenagers and young adults
• Sleep disturbances and addiction
○ The role of screen time and notifications
Speaker 4: Conclusion and Solutions (3–3.5 minutes)
• Summary of main points
○ Recap positives and negatives
• Possible solutions or recommendations
○ Digital detox, usage limits, mental health education
• Call to action
○ Encourage balanced and mindful use
• Invite questions (if time allows)
Optional: Q&A or Discussion (1–2 minutes)
• Let one or two members take turns answering questions
Tips for Smooth Delivery:
• Use clear transitions between speakers: "Now, [Name] will talk about…"

38	• Rehearse as a group to keep within time
39	• Use a shared slide deck, with each speaker responsible for their section
40	• Maintain eye contact, clear voice, and engagement with audience

B. Label the Outline Sections

Using the labels below, match them to the correct part of the outline (write the speaker number next to each one):

- ~~1~~ Introduction
- 14 Positive Perspective
- 21 Negative Perspective
- 28 Solutions/Conclusion
- 39 Speaker Transitions
- 35 Audience Engagement
- 40 Time Management

C. Outlining Language Hunt

Find and write down examples of:

1. Transition phrases between speakers
   → "~~which~~ part which he/she covered"
2. Audience-guiding phrases
   → "As you know, Please focus ~~here~~ about..."
3. Summary phrases
   → "So to summarize what we presented"

Post-Reading – Practice

Group Task: Create Your Own Outline

Topic: ~~Environment Rooftop~~ gardening in Dhaka

Divide your presentation into 4 parts. Use bullet points.

Speaker Focus Key Points (bullet form)

1
- Introduction, Rooftop Gardening & intro.
- ~~Transition~~ ~~Sho~~

2
- Brief about rooftop gardenin (Pro/cons)
- ~~Transition~~

3

4
